An earlier implementation can decide by each national association itself, but must be made no later than 01/09/2015.

The official version come out in a short time, but you have the proposal so you can work with it.

To point 3: In the ETPC meeting, there were a lot of elections of the members of the ETPC board. One position of them was the official election for the chairman/woman for the EGPC.

Please inform your teams and also your national daily board.

In some small talks in Dordrecht I was told that some of the national Daily boards wish more information about the business of the garden pulling groups.
It's your responsibility to do that. Please don't forget it ;-)

Garden Pulling EC 2015:

We are happy to inform you, that we have the EC 2015 in Brande (DK) together with TP EC. They are still in planning of this event, so we will be looking expectantly into the future what comes.

Date of the EC: 12&13/09/2015 .

If I get more information about the EC I'll inform you

Minutes of the EGPC meeting..

will be written by Daniel Siebenhaar and come out asap as he can do.

I want to say thanks for all who will be stay in Dordrecht.

Personally note:

About the ETPC meeting I want personally to say....after some changing in the board you feel a new and good spirit inside of them.

The members of it told us, that they want to work for all Tractor Pullers in Europe, it means also the Farm- and Garden Pullers.

Until now they have done a good work for it and changed some things...and you can see...they do it really.

I think therefore we have arrived for us an important point which is a very good base for us.

And last but not least:

Thanks to all who was involved to finish the rulebooks. They all spend a lot of time in it.

Specially thanks to Yaap and Eddy for their leading works. ☺

Now for this moment, that are the important things...more in a short time

If you have some questions please let me know

Greetings

Gaby

With best regards,

European Garden Pulling Committee (EGPC)
